

# Weekly Update 1/17/10

Dear Parents,

Last Friday's LCF Education Foundation's Jog-A-Thon went very well as students ran, jogged and walked to raise money for our schools. Please remember to return the envelope with your pledged amount once your students bring it home.

Final Exams are quickly approaching and please be aware that there are no block days this week or next. Remember that the 25th is a regular school day, while the 26th, 27th, and 28th are final exams days and students may go home after the examinations are over. However, students may stay at school to study at the IRC until the end of a regular school day if needed. There is no school for students on Friday the 29th and it is the last day of the 2nd quarter & 1st semester. 1/29 is also the field trip day for 8th grade CJSF students.

Best regards,

Sharon

**YMCA MODEL UN SIGN-UPS 1/20/10**

**What is the Model United Nations?**

**The California YMCA Youth & Government Model United Nations program is a simulation of the "real-life" United Nations Assembly. Participants in Model United Nations (MUN) will take part in some of**

**the activities that the real U.N. participates in. Delegates will research, debate and establish policies, treaties and resolutions focusing on international issues, including disputes between countries, peace-keeping responsibilities, border crisis, stabilizing financial markets and dealing with hunger, disease and poverty.**

**Delegations are assigned one or more countries (depending on the number of delegates) that they will represent, and the delegates will research the countries and come to the MUN as delegates from those countries. Delegates can be a part of one of several organizations that make up the U.N., including the General Assembly, Security Council, International Court of Justice, the Economic and Social Council (ECOSOC), the Secretariat (for interns only), and an international press delegation. The roles in these different "organs" of MUN are described in more detail later.**

**Delegates also participate in caucuses which represent different areas of the world: The African States, Asian States, Latin American and Caribbean States, and the Western European and Other States. Delegates will write, debate and vote on resolutions in the GA, and also participate in one of the organs, either hearing memorials (court cases), dealing with issues of human rights, writing newspaper articles, or settling border or territorial disputes. Delegates will be faced with some "crisis" issues that they will be asked to resolve as well.**
